

Dear Parents/Carers

It is June already and as I am writing this the sun is still shining, lets hope it continues throughout the summer.

It has been a sad month as we have said goodbye to two staff members. Fiona has left to work in the community doing stay and play sessions in Somerset and Katie Rawles has left to become a baby supervisor at Bridport Nursery. They will be missed. We have also had to say goodbye to our OOSC but we will still be running the holiday clubs during half terms and school holidays.

Can I remind all pre-school parents whose children are going to school and do not require childcare whilst doing part time hours at school to give me a leave letter asap otherwise you will still be invoiced.

Those parents needing children picking up or dropping off at school during September need to let me know hours soon so that I can collate the information ready for September.

The next two months will be busy as all rooms are planning a summer outing. Please see your child's room below to see what exciting events have been organised.

Nicola

*SUN HATS AND CREAM

As it is getting hotter please make sure that your child has a sun hat and has sun cream as the children enjoy spending time outside in the good weather.

*Baby Room

Laura Button and Nicole will be joining the Baby room and will be helping Tracey take care of the youngest children in the Nursery. We would like to welcome Scott, Millie, Jack and Yelena to our baby room. We are joining the toddlers for our summer trip to Abbotsbury farm on the 6th July. If your child attends on this day we will take them with us and you are more than welcome to join us, the more the merrier. Please keep an eye out for parent consultations which we will be doing before August. We will keep you informed.

TO ALL PARENTS

We are interested in everything that your child does and we like to include observations from home in their files. If your child does something significant at home e.g. pedalling a trike, writing their name, drawing a face, naming their colours, sleeping through the night and cutting their teeth, please inform us of these and we can record them in their observation files. **THANK YOU**

* Toddlers

Lisa, Greg and Nicole will now make up the toddler team. Toddlers would like to welcome Katie and Chloe who have just started with us and also a big welcome to Mmeso, Kieron and Daisy who have joined from the Baby room.

We are going on our summer outing on July 6th to Abbotsbury Farm. We will be sending out more information in the coming weeks. If your child normally attends on this day we will take them with our staff but if your child does not attend on this day please feel free to join us and have some fun.

* OOSC

Some parents made me aware that our OOSC time slots for the holiday (8.30-3.30) don't fit in with the new Nursery booking times. We have decided now to run the OOSC in holidays from 8.00 – 4.00 – the children will leave on the bus at 8.30am and return at around 3.30/4.00pm ready for collection. The cost of this session was £17 but it has now been increased to £18 to cover the extra hour. We are now taking bookings for the Summer holidays but please be aware that we only have a limited number of spaces.

* Pre-school

Some children will soon be leaving to go to school and we would like to have a leavers party for them. We thought we might have a picnic in the garden, hire a bouncy castle, have face painting, party food and end with a presentation with parents to celebrate their time at pre-school. Kieron will give you more information closer to the time but keep the 16th July (pm) free.

We are also organising a summer outing to Weymouth Sea Life Centre on the Thursday 8th July. If your child attends on this day they will be able to go with our staff. If your child does not attend but would like to go then you will be able to join us but you will have to accompany your own child. We will be giving out more information nearer the time.

Kieron and Katy would like to meet with all parents of children going to school in September and will be setting up meetings so that you can look at the information Kieron will be passing on to your child's teacher and also make a comment on your child's development during their pre-school year. Please keep an eye out for letters and notices about this nearer the time.
