

Dear Parents

I hope you have all enjoyed the lovely sunny weather we have had recently, long may it continue. I hope that by now you have all received your packs containing our new registration forms, fee structure, booking forms and terms and conditions. If for any reason you have not received these then please let me know and I will make sure that you get a pack. There have understandably been a lot of questions about the new structure and I am happy to talk you through it all, please feel free to arrange a good time with me to discuss your queries.

Nicola

* BREAKFAST

We provide breakfast from 7am until 8.30 am, breakfast will be cleared away by 8.45am. If your child requires breakfast they must be here at 8.30 am at the latest so that breakfast can be cleared away at 8.45am. Thank you for your cooperation.

To ALL Parents

As the weather is getting hotter please can you remember to apply sun cream before your child attends Nursery and bring in sun cream for us to apply and sun hats.

***The Garden** Our garden has now been finished and it looks great. We are having an Open Day on **Saturday 22nd May** at the Bridport Nursery from **10am - 1pm**. There will be a bouncy castle, stalls and hopefully a BBQ. All parents and children are welcome and this might be a good opportunity to bring friends along to see the Nursery.

Remember if you introduce a friend you will be able to get money off you next invoice. The various stalls will be raising money for Home Start which is a charity that offers support and friendship for families in the local area. It would be great to see as many of you as possible on this day. If you would like to help run a stall or make cakes for the cake stall can you please let Nicola or one of the room supervisors know.

* Tesco Vouchers

We are collecting Tesco vouchers, please put them in the yellow box. Thank you.

See all the latest info & photos @  www.sunnydays.co.uk

* Precious Moments

This company will be at the Nursery on 18th May, I hope you have all received a leaflet about what they do. If you would not like your child to take part can you please let me know. Your child will be filmed in an interactive video for you to purchase. You will be able to review your child's DVD and decide if you want to purchase. Please see a member of staff if you are not sure.

* Toddlers

We would like to welcome Lewis and Finley to toddlers and also Hayden and Bea from the Baby room. Please can parents book in to see their child's key person on the 18th May so that we can discuss your child's development. If you are unable to make this then please speak to a member of staff to arrange another appointment.

* Baby Room

We would like to welcome Millie, Scott, Jack and Kitty to the baby room. We are saying goodbye to Bea and Hayden who are now toddlers. We are making a large treasure basket for the baby room and are looking for some natural objects to go in it. If you are able to donate some objects we would be grateful. We need pumice stones, shells, pastry brushes (wood), wooden spoons etc. If you would like further information please see Tracey.

* Pre-school

We would like to welcome Jake to pre-school. We would also like to welcome Amelia Stone and Amelia Dumbleton to Pre-school. As Lisa is now working in Toddlers, Katy will now be Kieron's right hand support. It is not long before some of our pre-school children will be going to school in September. It would be great if you could inform Kieron or Katy of which school your child will be going to. Kieron and Katy would like to hold individual meetings with parents in June to discuss your child's progress and development. Kieron will give you an opportunity to sign up to a time slot nearer the time.

* OOSC

Half term is coming up on the 1st June please don't forget to book your children in. We are in the process of planning activities and days out. Also the summer holidays are not too far away, please think about what you might need as we only have 16 spaces for the summer.

* REQUEST

If you have any large pieces of material or old duvet covers we would be very grateful for these in our garden to make dens.

Thank you.
