

Welcome to our May Newsletter, its hard to believe that Spring is here already and Summer is fast approaching - lets hope the weather starts to improve soon so everyone can get outside and enjoy the garden some more.

As many of you will have noticed a lot of things have been happening here at Bridport in the last few weeks. We have had several staff changes recently and introduced some new topics to our Pre-school program to name but a few. We hope that these changes will be for the benefit of all our children however, should you have any queries or concerns then please do come and see me.

Julie

***A huge Sunny Days welcome to our new children who have started**

Babies - Kalia

Toddlers - Beth, Amelia and Evelyn

Preschool - Abigail, Riley V, Taryn, Stanley, Kiera, and Louise

OOSC - Isaac, Dolly, Ruby, Alice, Abigail and Zebedee

***Change 4 Life - A new feature from the Sunny Days Bridport team- a monthly tip on how to "change 4 life". This month we are looking at portion sizes and encouraging children to eat all their dinner.**

The tip is to only give a child a portion the size of their fist - they can always ask for seconds instead of leaving half their dinner on their plate.

***Staff News** – Louise will be leaving us at the end of the May to go on maternity leave. So what is happening within our rooms – well.....

Greg will be taking over as acting supervisor within the Pre-school Room. His team within the room will be Laura.M. and Tanya.

Toddlers have a new supervisor – Kieron was the toddler supervisor at our Dorchester nursery and joined the Toddler Room from Monday 20th April. He has plenty of Sunny Day experience and is Level 3 qualified. His team in Toddlers will be Leah, Nicola and Louise.

Babies will still be run by Tracey and her team will be Katie, Lisa and Katy.

I'm sure you will join us in wishing both Greg and Kieron good luck with their new roles and Louise all the luck in the world on her new arrival.

French Lessons

We shall also be offering the Pre-school children initially the opportunity to learn some beginners French. We have a French teacher who will come in once a week and work with Pre-school to introduce them to numbers, colours and some simple songs. More information about French will be available shortly.

***Swimming** – As from Wednesday 22nd April we have been taking the Pre-school children swimming. This runs every week so that all the children that attend on a Wednesday morning will get the opportunity to join in with a new activity. If your Pre-school child has not yet received information regarding this, then please ask Greg for more details.

***Nursery Security** – We would like to remind all parents/carers about our policy on letting other parents into the nursery. We do ask that you do not allow any other parent or carer into the Nursery premises as we follow strict security procedures.

Please can you also be aware of not leaving the front door on the catch as this is also a security issue for the nursery.

We thank you for you co-operation in this matter and if anyone would like a copy of the policy please do not hesitate to ask.

***Yellow Box** – We now have a yellow box beside the office door in the reception area. This box is for you to place any payments, booking forms or letters in if the office is unattended or busy.

***Sunny Days Film** - If you have not yet returned your consent form for the filming – please do so as soon as possible.

***Contact Details** – Please can you ensure that the nursery has up to date information about your child including new addresses or contact phone numbers.
